Dear Professor Smith:

I have your letter with regard to the appeal of the French Universities. [It would], I think have been interesting to have the original in "The Monthly", but it is not a matter of any real importance.

With best wishes for the New Year, I am,

Yours sincerely,

President.

Dear Mr. President.

By counting the lines, I find that the statement will take up 5 pages of the "Monthly" size.

Will you leave instructions with the Press, whether you wish it to be printed as a 5 page pamphlet on pages of the "Monthly" size, or as a 4 page pamphlet on pages of a larger size.

If there should be any delay in the appearance of the Monthly, I will tell them to print off your copies first, in time before the Legislature meets.

Yours sincerely J. Oswald Smith

Dear Mr President.

I am sending copy for the May Monthly to the Press in the next two or three days. If Dr. Primrose has an additional list of subscribers to the Hospital ready, I can add that at once, and I can generally arrange to insert additional matter, if urgent, at any time up till the receiving the Galley proofs which is usually about the end of the month. I am inserting a notice of the convocation of Queen's University to our men in Kingston.

Yours sincerely J. O. Smith.
